"Todo por el rock"

VIBRANT MEXICAN RHYTHM

From the heart of San Luis Potosí, **Tlacuaches-K** has been one of the most representative bands of Latin ska fusion in Mexico. Founded in January 2010, the group has developed a unique sound that blends ska, rock, reggae, and various Latin rhythms, creating a vibrant proposal that invites both dancing and reflection.

The group has left its mark on the independent scene, establishing itself as an energetic band committed to its message. Their lyrics cover social themes such as the disappeared, bullfighting, politics, and the economy, as well as songs full of passion, love, and heartbreak, without leaving aside anthems that simply invite you to enjoy music and life.

Their motto, "**Todo por el rock**" (Everything for rock), is not just the title of their first album, but a declaration of principles: a philosophy that has led them to tour stages across the country and earn the recognition of a diverse and dedicated audience.
